

# GREEN GROCER PROJECT FACADE IMPROVEMENT PROGRAM

The Detroit Economic Growth Corporation (DEGC) is undertaking the Green Grocer Project Facade Improvement Program to improve the visual appearance and marketability of full service grocery stores and their parking lots within the city of Detroit. This is an application to participate in the program with the potential to receive matching funds up to \$50,000 for each dollar of your investment in building improvements, of which up to \$20,000 in matching funds may be used for parking lot improvements. The total matching grant will not exceed \$50,000 per store. Please read the application carefully. Should you have any questions, please call the GGP Program Manager at (313) 237-6092. Application submission deadline is July 16, 2014.

Completed applications can be submitted electronically to:
